

Important information from Sandwell Council

You have tested positive for coronavirus (COVID-19).

This means you have caught the virus and may pass it on to other people if you are not careful.

This means that you will need to self-isolate at home.

This means stay at home and do not go out.

We will phone you soon to make sure that you are doing this.

If you need support to self-isolate, such as help with shopping, call us on:

0121 569 2266.

Coronavirus can easily be passed on to others. This can lead to some people getting very sick and can result in death.

You must by law follow these rules:

✓ You must self isolate for 10 days.

✓ People you live with must self-isolate for 14 days.

Self-isolation means:

✓ Children who live in your home should not go to school or nursery.

✓ They must stay at home with the rest of the people you live with

✗ Do not invite friends or family into your home.

If you do not follow the rules you could be fined up to **£10,000.**
