

# Covid-19 vaccinations!

Everyone will have 2 vaccines, one now and the 2nd one 8 weeks later. After 3 months you will need a booster vaccine.

It is very important now the lockdown has ended and we are returning to normal life.

The 2 vaccines and the booster will help protect us from catching Covid-19 from other people. If you do catch Covid-19 you won't get so ill.

## You can book your vaccine:

- With your GP.
- Online - Google 'book a Covid vaccine'.
- Jigsaw can help you book it.

## Or you can go to a walk in centre:

**Jigsaw** is a charity in Sandwell that works with people with a learning disability.

## Jigsaw can help you:

- Book an appointment and help you choose the easiest place to go to.
- Send you a letter or a text to remind you when and where your appointments are.
- Make sure your doctor's surgery knows you have a learning disability.
- Talk to you about Covid-19 or the vaccine if you are worried.
- Help you work out how to get to the vaccination centre.
- Remind you on the day.
- Give you easy read information about the vaccine.
- Talk to you after the vaccine to see how you got on.
